

Dear local business owner,

It is with popular demand that Norwalk Hometown Pride is in full swing planning the “2nd annual Norwalk Music Fest” at Warrior Run Golf Course for Sunday, Sept 1st, 2019. The event will again feature all local musicians with a variety of genres. Musical entertainers, local food vendors, craft and commercial booths, and a large kid’s zone will keep visitors busy. The event will be from 11 am – 11pm.

This event has no admission fee thanks to donations and sponsorships from area businesses and supporters like you. Funds raised this year will support the goals of “Norwalk Hometown Pride” whose projects have included a \$10,000 cemetery beautification project, Front Porch Norwalk Neighborhood events, and this year will include several types of public art projects such as artistic bike racks, murals, sculpture in Elizabeth Holland Park/Trail, as well as the construction of a \$35,000 Warren County Veterans Memorial at the Freedom Rock.

If your business is able to support this fun and cause-worthy community event, the details for a tax deductible donation are included in the attached sponsorship form.

Supporting local musicians, a dunk tank, the Kid’s Zone, trolley, and more can be made possible with your support.

If you have any questions, feel free to contact me.

Best Regards,

Deanna Schulz
