I hereby make application for water service and agree to pay at the office of the City Clerk as provided in the rules and regulations of the City of Norwalk, all bills rendered for water, sewer, solid waste, economic development and storm drainage consumed and/or used upon these premises, according to meter registration until I give the Utility Billing Office notice to discontinue the supply.

Any prior utility accounts with the City of Norwalk having an outstanding balance may be transferred to my active account or service may be denied until the outstanding balance is paid in full.

The Meter Inspector shall have access to the City meter at all times as provided by Law.

I FURTHER AGREE that my service may be discontinued when I am more than 10 days delinquent in payment of bill rendered.

I FURTHER AGREE that the owner of this property, if other than myself, may be notified of any delinquent bill and may be furnished a copy of the bill and this application.

For additional information regarding property owner responsibility and utility service please refer to the City of Norwalk Municipal Code of Ordinances.
